	Total		110

6. Purpose

This qualification is awarded to people who have demonstrated competence in Painting.

The qualification is designed to recognise the skills and knowledge required to competently carry out painting and decorating works in a safe and professional manner. Holders of the National Certificate level 3 in Painting will be able to work with a trade level of knowledge for painting. The qualification is intended to promote professional standards for the industry and to provide a means of recognising current competency and/or prior learning for those already working in the industry.
