5. Purpose

This qualification is intended for people wishing to pursue a career in the field of beauty therapy. The qualification would enable learners to acquire skills and knowledge required to perform a range of beauty services (manual facial therapy, threading services, make up services, manicure services, pedicure services, waxing services) at a basic level within the commercial environment, to consult with a client, establish the needs of the client on the basis of consultation, conduct the prescribed services in a professional manner, and maintain communication with the client, under supervision.
