

# National Certificate in Adult Literacy for Educators

**Level** 5

**Credits** 110

## **Purpose**

The National Certificate in Adult Literacy for Educators recognises specialist expertise in adult literacy education, to improve the literacy skills of adult learners. For the purpose of this qualification, *literacy* includes numeracy. It is a professional qualification for adult literacy educator competence.

People for whom the National Certificate in Adult Literacy for Educators is relevant are likely to include existing practitioners and aspiring adult literacy educators.

All the unit standards of the National Certificate in Adult Literacy for Educators are intended to be the recognised minimum standard of professional competence for adult literacy educators at a higher level than most current practice. People awarded the National Certificate in Adult Literacy for Educators:

- understand historical and theoretical issues underpinning adult literacy and numeracy education
- are knowledgeable about adult literacy
- are able to assess a person's literacy needs and gains
- are able to design and deliver literacy skills development programme for an individual adult learner
- are able to operate as an adult literacy educator in one or more specialist context(s).
